NAHB: NAHB is a Washington, D.C.-based trade association whose mission is to enhance the climate for housing and the building industry. Chief among NAHB's goals is providing and expanding opportunities for all consumers to have safe, decent and affordable housing. As "the voice of America's housing industry," NAHB helps promote policies that will keep housing a national priority.

Founded in 1942, NAHB is a federation of more than 800 state and local associations. About one-third of NAHB's 235,000 members are home builders and/or remodelers. The remaining members are associates working in closely related fields within the housing industry, such as mortgage finance and building products and services.
